

About Nagpur

Nagpur with its zero mile marker is the precise geographical center of India. Colloquially referred to as Orange city, it has also the claim of being the second greenest city of India. The second capital of Maharashtra is fast emerging as a commercial hub. This 317 years old city (1702 AD - 2019 AD) exemplifies a unique blend of antiquity and modernity.

Formally declared as the Tiger capital of India, Nagpur is a gateway city to some of the most popular wild life destinations like Tadoba Tiger Reserve, Kanha National Park, Pench National Park & many more across central India where one can come face to face with the elusive Tiger.

Being the geographical center of India, Nagpur automatically becomes the meeting point of many travel routes with the best air and rail connectivity with all major cities of India.

Welcome Message

Warm greetings and compliments from the organizing committee. It's a great honour and privilege for us to host the **22nd National Conference of Association for Prevention and Control of Rabies in India** in the Orange city. We take great pleasure in inviting you to participate in the conference to be held from **4th to 5th July 2020** at Nagpur.

The conference will provide a unique platform for all academicians, scholars, research community, public health experts, policy makers, govt. officials and other stake holders in the field to collaborate and share their knowledge and expertise, exchange ideas and develop a new vision for a brighter future. Considering the challenges and opportunities of dog transmitted rabies in India, we have chosen the theme "**Rabies Elimination : Actions & Building Capacities**".

We promise you an enjoyable as well as academically rewarding time!!

The conference will offer the participants a wide choice of vehicles for transmission of knowledge, expertise & experiences like orations, scientific paper presentations, plenary sessions, posters etc. The conference will aim at a pluralistic agenda that respects the legitimacy of different standpoints, illuminates diverse perspectives & promotes principled discussions & debates.

Through your active participation, comprehensive discussions & academic exchanges we hope to make this conference a truly memorable one where good sense & hospitality prevails, knowledge & expertise abounds, experience overflows & entertainment galores.

We sincerely hope that you will join us in large numbers to make this conference a grand success. We look forward to welcoming you in Nagpur. Feel Free to contact us should you need any further details.

Dean & Patron
Dr. Sajal Mitra
